## Professional Summary

- Having 3 years of Professional Experience in Software Development.
- Good programming skills in designing and implementation of multi-tier applications using web-based technologies like **Spring MVC** and **Spring Boot**.
- Good Knowledge in Software Development using **JAVA/J2EE**.
- Extensively worked on **Spring JDBC, Spring Hibernate ORM** and **Spring Data JPA**
- Having good knowledge on **Core and J2EE Technologies (JSP, Servlet and JDBC)**.
- Having knowledge on **Microservices (Eureka Server, API Gateway, Load Balancer)**
- Used **Postman** to test the RESTful API for HTTP requests such as GET, POST, and PUT.
- Developing Data Access Layer by using **ORM tool Hibernate**.
- Working on **Agile methodology** and **Scrum methodology**.
- Use **Tomcat Server** for developing and deploying the application

## Technical Skills/ Knowledge

Programming Language	J2EE, Core Java and Sql
Frameworks	Spring and Spring Boot
ORM Tool	Hibernate
Web/App Servers	Tomcat
IDEs	Eclipse
Tools	Git, Maven, JUnit, Log4j
Webservices	Rest

## Experience Profile

Presently working at Stryker Webtech, Noida as Software Engineer since November 2020 to tillnow.

Previously worked at Reliance Industries Ltd, Mumbai as Shift Manager since June 2019 to July 2020.

## Qualifications

- + Completed **B. Tech** from **Vellore Institute of Technology, Vellore** in 2015 with an aggregate CGPA of 7.96.
- + **Intermediate (10 +2)** from **St. Atulanand Residential Academy, Varanasi (CBSE Board)** with an aggregate of **76.60% (2011)**.
- + **High School (10)** Examination from **S.S. Public School, Varanasi (CBSE Board)** with an aggregate of **80.40% (2009)**.

## Professional Project Details

### Project: #1

Project:	IHIS
Client	New Jersey State Govt
Duration	Since August 2022
Environment	Spring Boot ,Spring Data JPA, and PostgreSQL

### Project Description:

The main aim of IHIS (Integrated Health Insurance System) is to provide fully integrated health insurance system for New Jersey State Citizen. Using this project New Jersey State govt provide plan for New Jersey State Citizen like SNAP, CCAP, QHP, NJW, Medicaid (Health plan), Medicare

### Responsibilities:

- Involved in Application design, development.
- Implementing Business logic.
- Created **DAO** interface, abstract class and concrete classes to interact with **persistence** entities.
- Used Rest Controller in Spring framework to create **RESTful Web services** and **JSON** objects for communication.
- Involved in Unit testing using **JUnit**
- Involved in Coding Review.

### Project: #2

Project:	MediServices
Client	AdySoft
Duration	November 2020 – July 2022
Environment	JSP, Spring, Spring MVC, Hibernate, Oracle and Eclipse

### Project Description:

ADYSOFT wants to expand their business across India and also bring about an ease in management. To be able to keep track of the increase in business, ADYSOFT has decided to build an enterprise application. As part of their development plan, they want to launch a companywide enterprise application which will help them to integrate and coordinate the operation of their branches more conveniently. This would make billing uncomplicated and pooled data can be collected at ease across different branches.

The proposed system is retail Medical Store application. The system is employee focused to provide a swift and easy experience for the employees. The system is also a transformational change for the retail teams as they have to switch from excel based systems to an enterprise application and get benefits from the system to coordination and integrate among different branches.

**Responsibilities:**

- Involved in Application design, development
- Implementing Business logic
- Developing DAO layer for access data using Hibernate.
- Involved in Unit testing, Integration testing.
- Involved in Coding Review.
- Using Spring & Hibernate in coding.

**Personal Details**

Father's Name	Shrichand
Mother's Name	Lajja Wati
Nationality	Indian
Date of Birth	26.04.1994

**Languages Known**

English, Hindi.

**Hobbies:**

Reading Newspaper, Cricket, Listening Songs

**Declaration:**

I hereby declare that the information furnished above is true to the best of my knowledge.

With Regards
