Looking for a challenging position in the organization, provide an effective and efficient solution which would assist organization to get the finest solution in increasing the organization assets and as well with my professional growth.

Synopsis:

- Total **8 years** of experience in Cross Functional, multi-vendor environment of large network.
- Having 4+ Years of Experience working with Application Support (Kubernetes, Linux) , DevOps, Cloud platforms, Source Code Management, Build and Deployment Automation, CI/CD (Continuous Integration / Continuous Delivery) and cross-platform environments.
- Good knowledge of Cloud Platforms (AWS).
- Excellent communication skills, ability to work in cross function team and diverse environment.
- Good learning attitude and interpersonal skills. Comfortable to work in any shifts and strongly determined.

Professional Experience:

- Sr System Engineer in Wipro (Gurgaon) (From Mar 2022 – Present).
- Performance Management Engineer in Vodafone-Idea Ltd. (From June 2019 – Mar 2022).
- RNO Engineer (RNO Engineer & Project Co-ordination) at Verveba Telecom Pvt. Ltd. (From Nov 2018 – May 2019).
- RNO Engineer (Team Lead) at Metro Telworks Pvt. Ltd. (From Dec 2017 – Nov 2018).
- RF Optimization Engineer at Nutek India Ltd. (From Feb 2015 – Dec 2017).

Key Projects Handled:

- **Sr System Engineer at Wipro Limited**
Responsibility :
 - Impact analysis <L2> for all Core & RAN fault of Mycom ProOptima Application at Back end. Openshift v3.11.374 Kubernetes v1.11.0
 - Container Orchestration Tools: Hands-on experience with Kubernetes for managing containerized applications at scale Involved working with a PaaS solution such as RedHat Openshift.
 - Proficient in updating and maintaining Kubernetes cluster, including master and worker node component, Used Kubernetes to manage containerized applications using its nodes, Config Maps, selector, Services and deployed application containers as **Pods**.
 - Monitoring the implemented Kubernetes architecture tailored to Bharti Airtel requirements, resulting in KPI Improvement.
 - Expertise in Application deployment and environment configuration management using Ansible. Experienced with Docker, building Docker images using Dockerfiles.
 - To understand and support automated sanity activities on daily basis and to maintain environment, handle server related tasks.
 - Collaborated with cross-functional teams to architect and implement Kubernetes PersistentVolumeClaims for the internal registry, guaranteeing consistent storage across nodes.

➤ **RANMobility at VIL :**

Responsibility :

- Creation of multiple environment so that system can perform to the best of their ability to produce the highest-quality work.
- Batch scripting for automation.
- Identify the scope for process improvements and work towards implementing them.
- Conducting daily stand ups to discuss the daily progress.

➤ **AT&T (NAM Project):**

Responsibility :

- Designing and configuring the physical and logical parameter of eNodeB.Bharti-Nokia:
- Optimizing Network. Study and Analysis of different NW statistics generated from OMCR.
- Network related parameters as given by RF engineer and accordingly tuning of database parameter to get optimum performance of the network.

➤ **Airtel Maharashtra LTE:**

Responsibility :

- LTE network launch & Cluster Optimization.
- Planning of RF parameters, Hardware configuration and field level changes.
- Traffic analysis for highly utilized cell and Plan for TRX addition to avoid blocking and removal plan for high & low utilized cells.

Technology Stack:

Skills	AWS, Kubernetes <Openshift> ,Helm Chart, Linux/unix , GitHub,GitOps ,Docker, Maven , Jenkins , Ansible , SonarQ , JFrog, Terraform ,Kafka ,Grafanna, Prometheus , Scripting- Bash/Shell
Tools	Mycom PrOptima Application,Kubernetes -Openshift ., AWS (EC2 Instances,IAM Roles)

Educational Qualification:

- **Bachelor of Technology in Electronics Engineering** from KaviKulguru Institute of Technology & Science, Ramtek affiliated to RTMNU, Nagpur (Maharashtra).

Personal Vitae:

DOB : 8th May 1991
Marital Status : Single
Languages : English, Hindi ,Marathi

Date:
Place: Pune
