RESUME PROFILE

I'm a Software Engineer with 3 years of experience, passionate about coding and solving problems. I love challenges, collaborate well, and I'm ready to turn ideas into reality. Let's innovate together!

EXPERIENCE

Senior Software Engineer 04/2022 - Present
Ira Technologies India Pvt Ltd Noida

It's a startup company that offers products and delivers high-quality services to its clients.

- Developed the Finsuite project and currently contributing to the Tizo E-commerce platform, driving innovation and delivering robust solutions for both initiatives

Software Programmer 10/2020 - 11/2021
Image InfoSystems Pvt Ltd New Delhi

Image InfoSystems, an ISO 9001:2015, ISO 22301:2015 and ISO 27001:2013 certified company, is focused on building products and solutions for the banking industry, based on state-of-the-art technologies for processing and settlement of transactions

- Led changes and enhancements for the IDFC Bank ACH (Automated Clearing House) and Project Management System, optimizing functionality and driving improved performance.

EDUCATION

MCA 2016 - 2018
AKTU Lucknow

BCA 2012 - 2015
MJPRU Bareilly

PROJECTS

ACH 03/2021 - 11/2021
New Delhi

Led changes and enhancements for the IDFC Bank ACH (Automated Clearing House).

- Optimizing functionality and driving improved performance.

FinSuite 04/2022 - 10/2022
Noida

I have undertaken the creation of this project from the ground up, crafting the backend in Java and implementing the REST APIs with Jersey.

- I successfully delivered this project within the specified timeline.

Tizo 10/2022 - Present
Noida

I initiated this project from the ground up and created the backend in Java using Spring Boot.

- The project is currently in development and nearing completion. I've handled the most complex modules, including finance and order management
