EDUCATION

2014-2018

P.R PATIL COLLEGE OF
ENGINEERING AND TECHNOLOGY

- Computer science and engineering

SKILLS

- Java11 - Java17 and Springboot
- CI-CD pipelines
- Database: My SQL & Oracle
- Programming : C, C++, Java, Adv Java,
- Web Technologies: HTML, CSS, XML.
- Documentation: Microsoft Office
- Networking & Troubleshooting of VMware Servers.
- Python for Data Science
- Effective Communication
- Critical Thinking

LANGUAGES

- English (Fluent)
- Hindi (Fluent)
- Marathi (Fluent)
- Sindhi (Flute)

PROFILE

Experienced Java Developer focused on solving customer problems, improving usability and maximizing efficiency. Specializing in creating java applications. Effective at working in Agile environments using Scrum methodologies.

WORK EXPERIENCE

Tata Consultancy services Pvt Ltd

MAR 2023 - PRESENT

Java Developer

- Designing and implementing microservices(Rest Api) which use the spring boot framework.
- Connecting microservices to interact with databases (Oracle by using SqlDeveloper)
- Working in compliance with the full Software Development Life Cycle including CI-CD pipelines for Micron and Enterprise Edition.
- Deploying Rest Api to RND, UAT, QA & Production Enviroments using OpenShift Container Platform by RedHat in background.
- Proactively identified potential security vulnerabilities within the application codebase and implemented necessary patches or fixes.
- Reduced software bugs by conducting thorough unit testing and collaborating with QA teams.
- Participated in regular sprint planning meetings to align project priorities with business objectives.

IBM India Pvt Ltd

OCT 2019 - FEB 2023

Junior Java Engineer

- Working with software developers and software engineers to ensure that development follows established processes and works as intended
- Support continuous improvement, investigating alternatives and technologies, and presenting for architectural review.
- Adhered to best practices for secure coding, minimizing vulnerabilities within developed applications.
- Optimized system performance with thorough code reviews and refactoring efforts.
- Supported the integration of third-party APIs, expanding application functionality and versatility.
- Adjusted design parameters to incorporate new features.

CERTIFICATIONS

- **AWS Certified Cloud Practitioner issued by - Amazon Web Services Training and Certifications**
- **Azure Fundamentals by Microsoft**
